Volume 52, Issue 6

November / December, 2014

The Fall Reunion is just around the corner and we still have time to get Petitions turned in and processed. We need to be talking to our Brothers in the Blue Lodges about continuing their education in our great fraternity and how the Scottish Rite Degrees open many doors in our lessons of life. I have always enjoyed coming to the Scottish Rite. I believe in the lessons we teach and they have made me a better Mason. Not only do we get to enjoy the brotherhood, but we have become a social group which includes our families.

We have 26 Blue Lodges in our Valley. Can you imagine if each lodge came up with one candidate how great a Reunion we could have. We need to reach out to our Brothers and offer them a place in the Scottish Rite.

Those who have not had a chance to check out the new Arizona Ballroom, restrooms and kitchen have really missed out. You need to come down and take a look at all the improvements—it's amazing! The call for special events in our beautiful Cathedral keeps growing and with every event a new project in the Cathedral gets placed on the drawing board.

As Fall unfolds, we look forward to seeing you and your family in November for our Stated Meeting Dinner followed by our Election of Officers; in December for our annual Holiday Party and in January for our Installation of Officers.

***One to replace yourself
and
One to grow on!***

Thank You!

Did you have a Knight at your table at the last Stated Meeting? It's possible you didn't. There was a wonderful crowd for the ribbon cutting and Stated Meeting. There might not have been enough Knights to go around. We expect to have full coverage for the November Stated Meeting. Of course, if ya'll come, we may have to step up our recruiting. The parking lot is in full swing so you will see us there too.

As you know, the Fall Reunion is upon us. We have been practicing our parts for the 29th Degree under the direction of Sir Knight Brian A. Pilz, PVM. There were a few practices with the swords so we won't slice off any ears. KSA will participate in the Opening and

Another Fall Reunion at Scottish Rite and I was thinking about why men join Freemasonry. We often hear we are losing Members each year, not only to the Celestial Lodge above but "out the back door". How can we stop the latter? What brings men to our door in the first place? We hear many possible reasons why Freemasonry does not attract as many young men as it did in past decades, including the economics of today, lack of time and many more activities and diversions available now when compared to the past.

So what do we offer that young men are searching for? I recently discussed the issue with a young Master Mason in my Blue Lodge. He spoke eloquently on the subject. He said he did not come to Masonry for what he could get from the Fraternity; he was attracted by what he could give. He said it was his opinion that too many are attracted by an expectation of gain. *"The gain that is talked about is the enrichment of our lives, associating with like-minded Brothers who are all trying to measure and perfect ourselves with the lessons we learned on our journey to becoming a Master Mason. This is the true gain in Freemasonry. The trouble comes when people join and expect more. When I joined, I did not expect more and I have been very happy with my association with Freemasonry"*, he said. *"I became a Freemason not for what it offered me; I became a Freemason because of what I could offer it."* A unique point of view; I hope not. Perhaps we make too much about what Masonry in all its branches can offer a man and not enough about what men can give to the Fraternity and the community.

*Bro.: Gilbert A. Schlierer, 32°
Membership Director*

Closing Ceremonies in addition to members assisting with the stage crew, the make-up department, the wardrobe department as well as the sound department, and participating in several other Degrees.

Remember, if you are a 32° Mason, you can join the Knights of St. Andrew. See me; Sir Knight Randal S. Jager, PVM; Sir Knight Brian A. Pilz, PVM; Sir Knight Roderic L. Wagoner, Jr., or any of the Knights who can guide you to us.

*Sir Knight Jon B. Ruse, 32°
Venerable Master, KSA*

There is no such thing as a "self-made" man. We are made up of thousands of others. Everyone who has ever done a kind deed for us, or spoken one word of encouragement to us, has entered into the make-up of our character and of our thoughts.

George Matthew Adams

The above quote is so true in our Masonic Family. Whether we need words of encouragement or if we offer the same to our Brethren, the result is indeed a positive. We talk about Mentoring being so valuable to our newest Brothers, but in reality we all can reap the benefits of mentoring throughout our entire lives.

The Valley of Tucson Fall Reunion, 2014, is Friday & Saturday, November 7th & 8th. Those of you who do not have a part in the degrees or do not have a position in the various departments, please come down, take in a few degrees, sit along the sidelines to show the candidates we support their efforts in joining a fraternity that is as good as it gets.

Stop in and check out the renovations downstairs. A new kitchen and a new Ballroom which are sure to impress those of you who have not seen it. In addition to that, new restrooms have been added downstairs as well. It's your Temple, enjoy it!

Tucson's York Rite Bodies have been busy this year with new members, new officers and plans to continue growing.

Last year, our York Rite Bodies led the state with 16 new members. A healthy number of these came from a Mark Master Degree which we exemplified for Adobe Lodge XLI. A group of Brothers from Adobe Lodge were interested in having this Degree exemplified in their Lodge as part of their Lodge Education Program. Adobe Lodge has a history of York Rite participation. Their current secretary, MEC Kenneth W. Smith, is a Past Grand High Priest and Grand Secretary Emeritus of the Grand Chapter of Royal Arch Masons in Arizona.

The Mark Master is the first of the four "Capitular" or "Chapter" Degrees which culminate in a candidate being 'Exalted' to the degree of Royal Arch Mason. Tucson York Rite offers this degree at no cost to interested Blue Lodges. Once the degree is completed, those Brothers who participated will have the degree of Mark Master and may petition to continue with the remainder of their York Rite degrees. If your Lodge is interested in this program, please contact EC Roderic L. Wagoner, Jr., for details.

Degree Festivals are usually held in the Spring and Fall. This Spring, Tucson York Rite joined with Sierra Vista and Safford York Rites to conduct degree work, including the Knights Templar Orders. This was the first time in nine years these orders have been exemplified in Tucson and many long-time members were pleased to see the tradition revived. The Order of the Temple, the final Order to be conferred, is one of the most beautiful and soul stirring in all of Masonry. Sir Knights from Phoenix assisted and the result was a very special day for everyone, especially the new Sir Knights.

April brought elections with new slates of officers and plans for the coming year. You can find lists of officers and photos on our website: www.tucsonyorkrite.org or on our Facebook page: Tucson York Rite Bodies.

Tucson York Rite is also well represented in the Grand York Rite lines in Arizona this year with two members being heads of Grand Bodies and four members in the lines. Photos of the Grand Lines are also on our Facebook page. Those in Grand Lines this year are:

Grand Commandery of Knights Templar in Arizona
Sir Knight Sidney J. Leluan, III,
Right Eminent Grand Commander

Grand Council of Cryptic Masons in Arizona
Most Illustrious Companion Steven J. Powlesland
Grand Master

Grand Council of Cryptic Masons in Arizona
Excellent Companion Donald M. Moyer
Grand Captain of the Guard

Grand Chapter of Royal Arch Masons in Arizona
Right Excellent Companion Jeffrey R. Horton
Grand Scribe;

Excellent Companion Steven J. Powlesland
Grand Chaplain;

Excellent Companion Roderic L. Wagoner, Jr.,
Grand Lecturer

Finally, we are represented internationally by MIC Sidney J. Leluan, III, who is the new Right Puissant Regional Deputy General Grand Master of the General Grand Council of Cryptic Masons International for Central America. This covers 11 countries from Puerto Rico to Panama.

For the coming year, we're planning more ritual work and to field a new degree team; working on our props and costumes and, adding an education/mentoring program. There is plenty to do and while our new Companions will be a great help, we can certainly use more hands. If you haven't been down for a while, why don't you stop by and see what we're doing. We will be posting a schedule on our website, but there is always information given before our regular meeting on the third Thursday of each month, except July and August, held at the Tucson Scottish Rite Cathedral. A pot-luck dinner begins at 6:15pm in the Arizona Ballroom and the meeting begins at 7:00pm in the Campbell Room.

Everyone is cordially invited to Arizona Commandery #1's Annual Christmas Observance on Sunday, December 21, 2014 at 1:00pm in the Campbell Room at the Tucson Scottish Rite, followed by refreshments.

Our next Degree Festival will be in January. If you are curious about York Rite Masonry, please give us a call or send an email. Information can be found on our website: www.tucsonyorkrite.org, our Facebook page or by contacting one of the following:

Tucson Fall Reunion

November 7 - 8, 2014

In Honor of

Illustrious B. Thomas Dingwall, III, 33°

I am pleased to announce the appointment of Bro.· James E. Wolfe, 32°, K.·C.·C.·H.·. as Assistant Personal Representative for the Valley of Tucson.

Born in Union City, Indiana, Jim became a Tucson "snow bird" for 23 years before he and his wife Mayno, decided to make Tucson their permanent home in 2002.

Brother Jim was raised a Master Mason in Jerusalem Daylight Lodge #66 in 1995 and is currently a member of Aaron Lodge #49.

During the 1995 Spring Reunion, held at the Tucson Scottish Rite, Brother Jim became a Scottish Rite Mason and was elected Class President. During that same year, he joined Sabbar Shrine in Tucson; was elected Oriental Guide in 2004 and served as Potentate in 2008.

In 2004, he was elected to the Board of the Square & Compass Children's Clinic and currently serves as Vice President of the Board of Directors.

In January of this year, Brother Jim was the recipient of the Robert F. Hannon Lifetime Achievement Award.

Brother Jim is the current Commander of the Knights Commander, Court of Honor (K.·C.·C.·H.·.), and will continue his duties as Director of the Work for the Valley of Tucson.

Ill.· J. Michael Atchley, 33°, G.·C.·.
Personal Representative,
Orient of Arizona—Valley of Tucson

We find ourselves once again entering the holiday season, and it just does not seem possible!

I remember in early October of this year watching in amazement while workers were assembling the Christmas displays at a local department store! As the economy struggles, merchandisers must capture our attention earlier and earlier every year to maximize sales opportunities. Many Brothers would say that membership efforts for our Fraternity must be very much the same. As our numbers dwindle, we must pull out all the stops to bring in new members and recruit every Master Mason we know into the appendant bodies. I humbly disagree with this idea.

Of course we need to bring new members to our Fraternity, but not at the risk of bringing in the wrong members. We all agree that our Fraternity is not intending to improve bad or even mediocre men, but rather to make good men even better. These are men who we observe Masonic qualities in before they come to the doors of our Lodge. If all we are concerning ourselves with is the quantity of our members, then it is more likely for us to overlook quality of our members.

Likewise, we should also use caution when bringing Brothers to the Scottish Rite. We should not strive to blanket all new Master Masons with Scottish Rite petitions, but rather those who we know are ready and/or searching for our additional teachings and our unique brand of Freemasonry. Chances are high that Brothers we ask to join the Scottish Rite respect or even look up to us; therefore, we should not take advantage of such a situation just to increase membership. Ultimately, this could result in only short-term members. Even worse, this could result in harm to our relationship with these Brothers or the loss of a Brother from the entire Fraternity.

Please do not misunderstand my intentions with this message my Brothers...I recognize that for our great Fraternity to continue, we all need to do our part to "find our replacement...and one to grow on." I simply caution all of us to exercise the care necessary to be certain that we are doing what is right for the Fraternity as a whole and in the long run. We all have heard the expression, "it only takes one bad Mason to undo the works of a thousand good Masons" in some form or another. I ask that we all keep it in our minds and hearts while we identify and recommend members to every part of our Fraternity.

This article also marks my last communication with you as Venerable Master of the Lodge of Perfection. It has been a busy year, but very rewarding. I thank all of you for the support during this year and for the privilege of serving the Valley of Tucson. It has been my absolute pleasure.

Looking forward to next year, we will have our hands full. With the upcoming Centennial celebration for our beautiful Cathedral, we will need all members to help with the work to be done. If someone does not directly ask you to help, ask around...find out how you can take a part. ***Become active...it will be worth it!***

I look forward to seeing all of you in Lodge very soon.

Steps of Freemasonry

Becoming a Scottish Rite Mason is a journey of self-discovery, a set of steps both upward to “more light” and inward to deeper understanding.

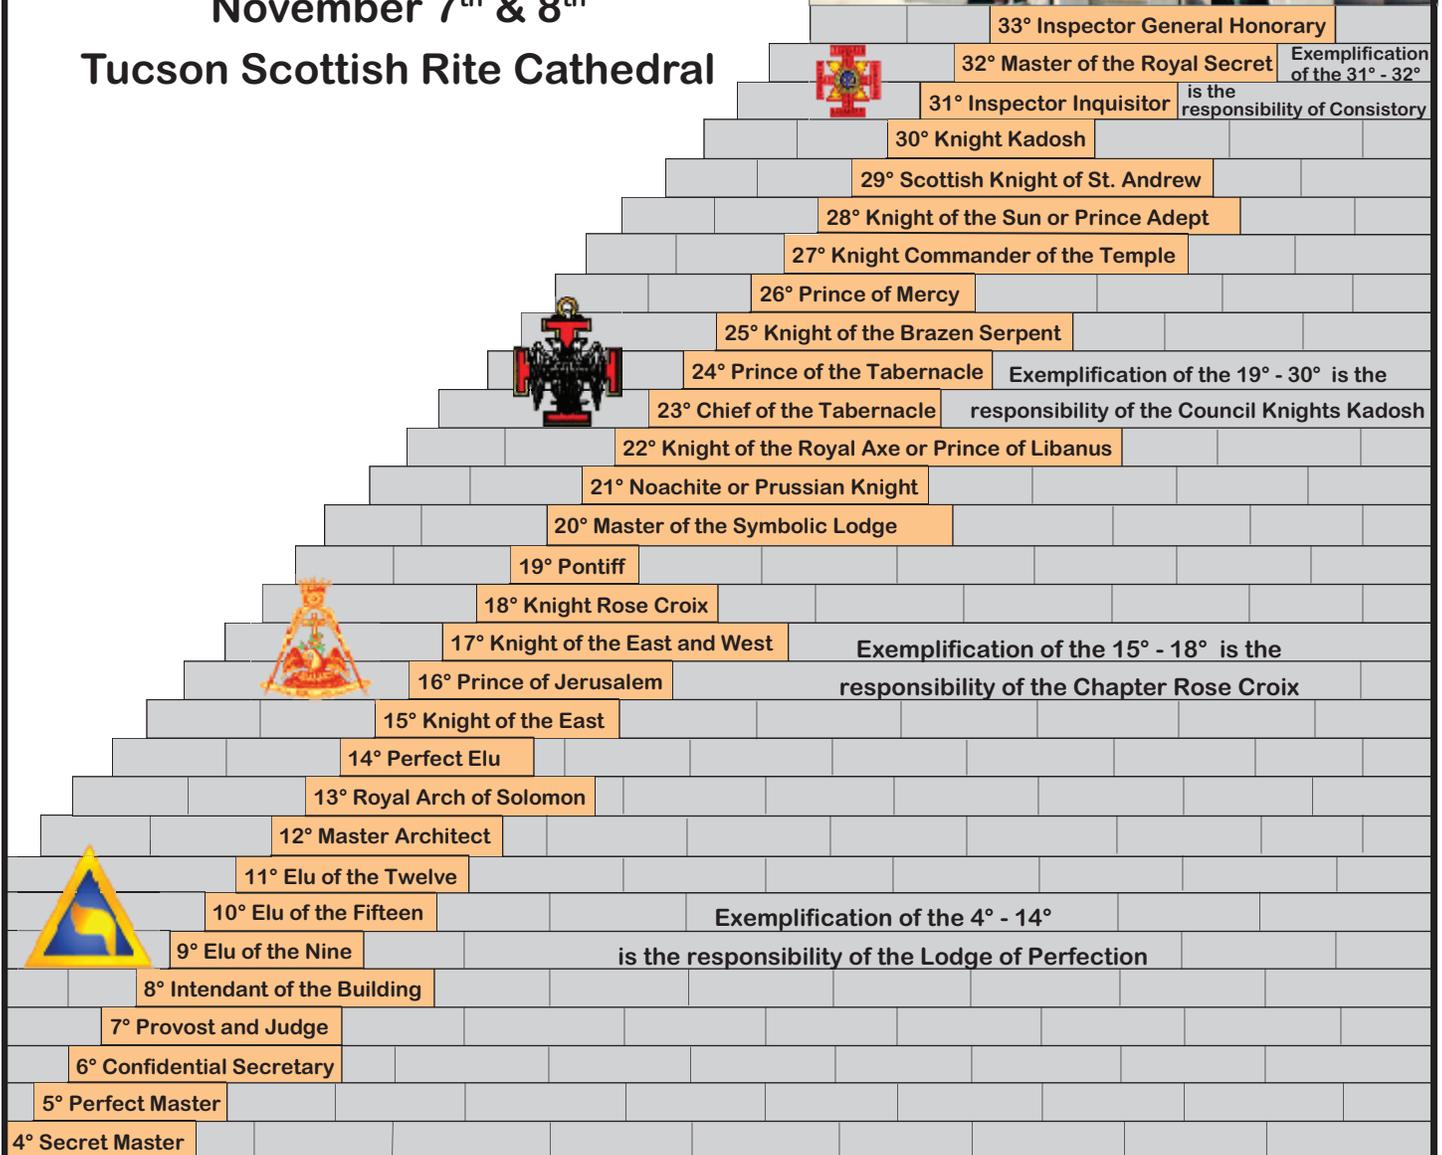

A degree is like a play or drama, a form used since ancient Egypt to awaken both the intellect and the emotions. Each contributes successively to bring greater insight and teach more profound lessons in ethics, morality and self-discovery.
